

## **TABLET INSURANCE INFORMATION**

January 15, 2015

Families of Carroll Middle School,

One of the most common questions that we've received about the tablet rollout has been, **"What happens if my tablet is lost, stolen, or damaged?"** After much searching for the right solution, we have an option for parents that we believe will address this question.

You will have an opportunity to purchase **full-coverage insurance** for your child's tablet for less than **\$4.00 per month** from Worth Ave Group. This coverage includes accidental damage, liquid submersion, theft, fire/flood damage, vandalism, natural disasters, and power surge due to lightning. **There is no deductible.**

Coverage will begin as soon as you sign up and will continue until your child turns the tablet in at the end of the school year. Because of the shortened time, this coverage can be purchased for just **\$19 for the remainder of the school year**. You'll also have the option to purchase insurance at the beginning of each school year.

Parents wishing to purchase optional insurance may do so at the rollout event on January 20. Please bring cash, money order, or check made payable to Carroll Middle School.

Families who decide not to purchase this insurance policy will become part of the school's self insurance group. There is a \$150 deductible for the self-insurance policy but no up-front charge.

If you have questions or concerns, please call the school or check our website for more details.

Thank you,

Cynthia Keech  
Principal
